Your Project will be held by the most experienced hands of the industry.

Megawebsource's Army is dedicated for our customers. We provide world class support for all our clients.

# Bulk SMS Services Overview

Megawebsource, a web-based two-way Bulk SMS Service, brings together the speed of the internet and the ubiquity of the mobile phone to offer an interactive and cost effective Bulk SMS platform for organizations. The SMS solution enables business communication over the mobile, creates new customer touch points for company and client communication and provides a cost effective platform for interacting with a wider audience in a very short span of time.

- ✓ Send messages with your brand/product name as Sender ID.
- ✓ Schedule your SMS Campaigns at future date & time.
- ✓ Simple process: Login » Compose » Send.
